

Two Year Bible Reading (Bible Meditation) Chart

by Gary T. Panell

Why A Two Year Meditation Chart?

You might be thinking, "Why do they have a two year Bible meditation chart?" The reason for this is because with my experience of reading through the Bible, I have found that we are trying to read it too quickly and *are not meditating* on it like we should! Look what Joshua 1:8 says: "This Book of the Law shall not depart from your mouth, but you shall meditate in it **day** and **night**, that you may observe to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success." The point of reading God's Word should be to *meditate* on it so we will know what God wants, and in this way we can do what He wants, and as a result we will have success in our lives!

I feel too often, we are intent on reading the Bible through in a year and somehow we feel this will make us spiritual. How do we have time to hear God speaking to us, though, if we are rushing to get lots of reading done each day? Until we slow down and let God have a chance to speak to us, when we are reading, we will not have the success we desire. We need to chew the "cud," so to speak, like those sheep in Psalm 23 that lie down in green pastures, beside the still waters. The sheep are not standing up and rushing around! They are in a peaceful mood and reflecting as they eat! The result of this meditation on the Word, as it says in Psalm 23, will be to have your soul restored, and then you can be led in paths of righteousness for His name's sake!

Some other verses you want to consider when thinking of Bible meditation are: "Blessed is the man who walks not in the counsel of the ungodly, nor stands in the path of sinners, nor sits in the seat of the scornful; but his delight is in the law of the LORD, and in His law he meditates day and night. He shall be like a tree planted by the rivers of water, that brings forth its fruit in its season, whose leaf also shall not wither; and whatever he does shall prosper." (Psalm 1:1-3) Think about this concept of *day and night* meditation, how could you make this work? You could have the Old Testament in the morning and the New in the evening, or you could go with the New in the morning and the Old in the evening. Maybe you want to do both and have the poetry section in the evening.

Warning!! My New Year's resolution was to read the Bible each day, using a one-year reading chart. For sometime I did not get started reading the Bible every day, because usually I missed the first day of the year to start. I thought; now that I have missed it. I better wait until next year to start; this is a trap of Satan, he does not want you to ever start meditating on God's Word! Or another trap of Satan is when you miss some time reading, for one reason or another, you will think, now I have to make those days up. It is better to just start on today's date and keep going, trying never to miss from here on out! Remember to take your Bible with you if you go on vacation, etc. Probably the best advice I can give is: **"Do not wait until the first of the year to get started, start today on today's date!"**

This Two Year Bible Meditation Chart has several nice features. It is easy to find your place because the Scripture chapter, in most cases, will correspond to today's date. For example if you are reading on the 10th of the month the chapter will be related to that number in some way as much as possible. Many times you will be reading the 10th chapter on the 10th day. I have repeated several key books of the Old and New Testament. You will read more in the New Testament. The Psalms and Proverbs are also repeated. Just before Christmas you will have the Christmas story. God Bless you, as you meditate on His Word! I know He will make you like a tree that is planted by the water (His Word), and He will give you spiritual fruit and make you spiritually prosperous, if you obey what He says to do in His Word the Bible, the Holy Scriptures!
